Since its inception in 2014, the Nitrogen Sports brand has been providing online betting fans with a safe and secure service specially conceived to cater crypto users. Throughout its existence, Nitrogen Sports has innovated the market and fueled a new tendency that has now become a niche in the sports betting industry. But as many companies do, time comes with changes. We at the Nitrogen Group wanted to not only change, but also bring new improvements.

In January 2021, that improvement arrived with Nitro Betting. This new site isn't its predecessor. Besides being Bitcoin only, NitroBetting.eu brings a platform tailored for BTC users, eSports enthusiasts, as well as Casino and Poker players. In other words, if you want to bet with Bitcoin, this is the site to play at.

With this new site, many new features, products, perks and services were added to make the new experience smooth and easy. And what's even easier is to Sign Up with Nitro Betting. With no KYC, you remain anonymous, and it's a simple 2 step sign up process. The only thing required is an email. In less than 1 minute, you can have an account, deposit and starting playing with us. It's that simple.

What Does Nitrobetting.eu Offer?

Besides offering a wide variety of options from our Sportsbook, including Pre-Match, Live, Future odds and a dedicated eSports platform, Nitro Betting has a wide variety of Casino games and Poker tables to choose from. Whether it's traditional Table games, Video Poker, Slots or Tournaments, we have all your Bitcoin betting needs covered.

Deposits and Withdrawals

As mentioned, NitroBetting is a top BTC Sportsbook, Casino and Poker site. Part of our mission is to provide players with a banking platform that allows them to load their accounts and withdraw their winnings without any issues or hassles.

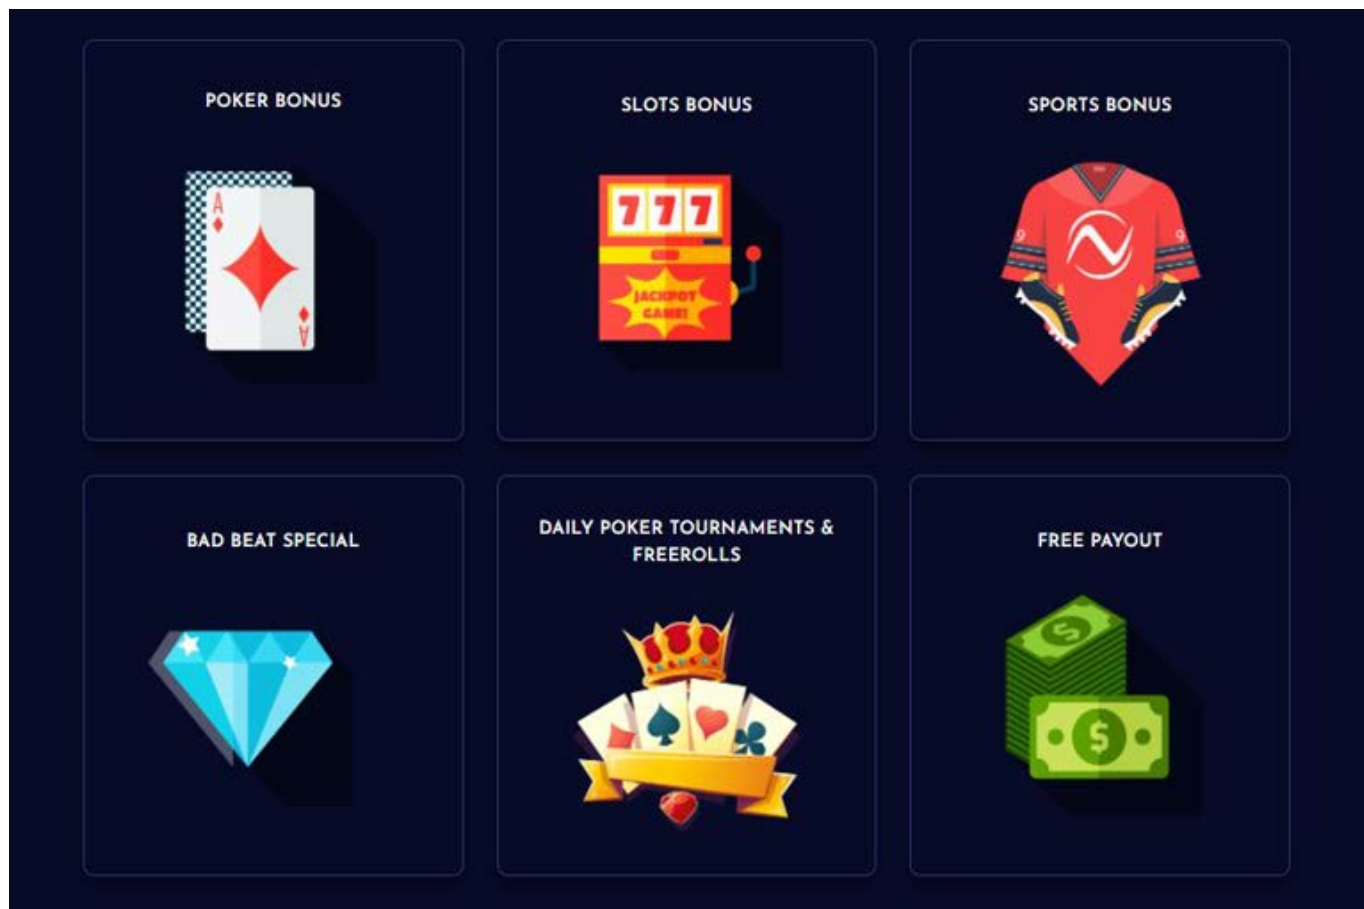

For each deposit, a new wallet address will be generated, to secure your deposit gets in with no issues. As for withdrawals, with providing the amount and Bitcoin wallet address, your winnings should be posted within a few hours after revision.

Sportsbook

The screenshot displays the NitroBetting Sportsbook interface. On the left, there's a sidebar with navigation options like 'Today', 'All matches', 'Search', 'Favorites', 'Results', and a list of sports including American Football, Basketball, Soccer, eSports, Baseball, Tennis, Ice Hockey, Fight Sports, Darts, Golf, Aussie rules, Rugby League, and Hockey Union. The main area is divided into sections for 'LIVE EVENTS' and 'BETSLIP'. The 'LIVE EVENTS' section shows live matches for Basketball (Venezuela, Spain, Iceland), Soccer (England, Spain), and Rugby League (Brisbane Broncos, St. George's Dragons). The 'BETSLIP' section shows pending bets for MLB (Cincinnati Reds vs Pittsburgh Pirates) and Soccer (Sporting Gijón vs CD Lugo, Sporting Gijón vs RCD Espanyol). The interface includes various betting options like Match Winner, Run Spread, and Total Runs, with corresponding odds and bet amounts.

Online Casino

Our NitroBetting Casino offers a wide variety of Casino games to choose from. With over 40+ Slots, 20 + Table games, plus a few unique games, players can have hours of fun and win BTC along the way. Whether you like playing Blackjack, Pai Gow, Baccarat or enjoy spinning Slots with games such as Fruit Loot or Big Vegas, our online Bitcoin casino has players covered.

NitroBetting has partnered with Concept Gaming, Nucleus and Cubeia, top leaders in the online Casino industry, to provide a unique Casino experience tailored to play with Bitcoin. There are so many games to choose from you won't know where to start!

Concept Gaming brings a wide variety of games to NitroBetting, providing well known games such as:

- Baccarat
- Multi-Hand Blackjack
- Gold N' Gems
- Keno Vegas
- Jacks or Better
- Samurai Gold

Nucleus also brings a plenty of Slots and Table games to the fold, with games like:

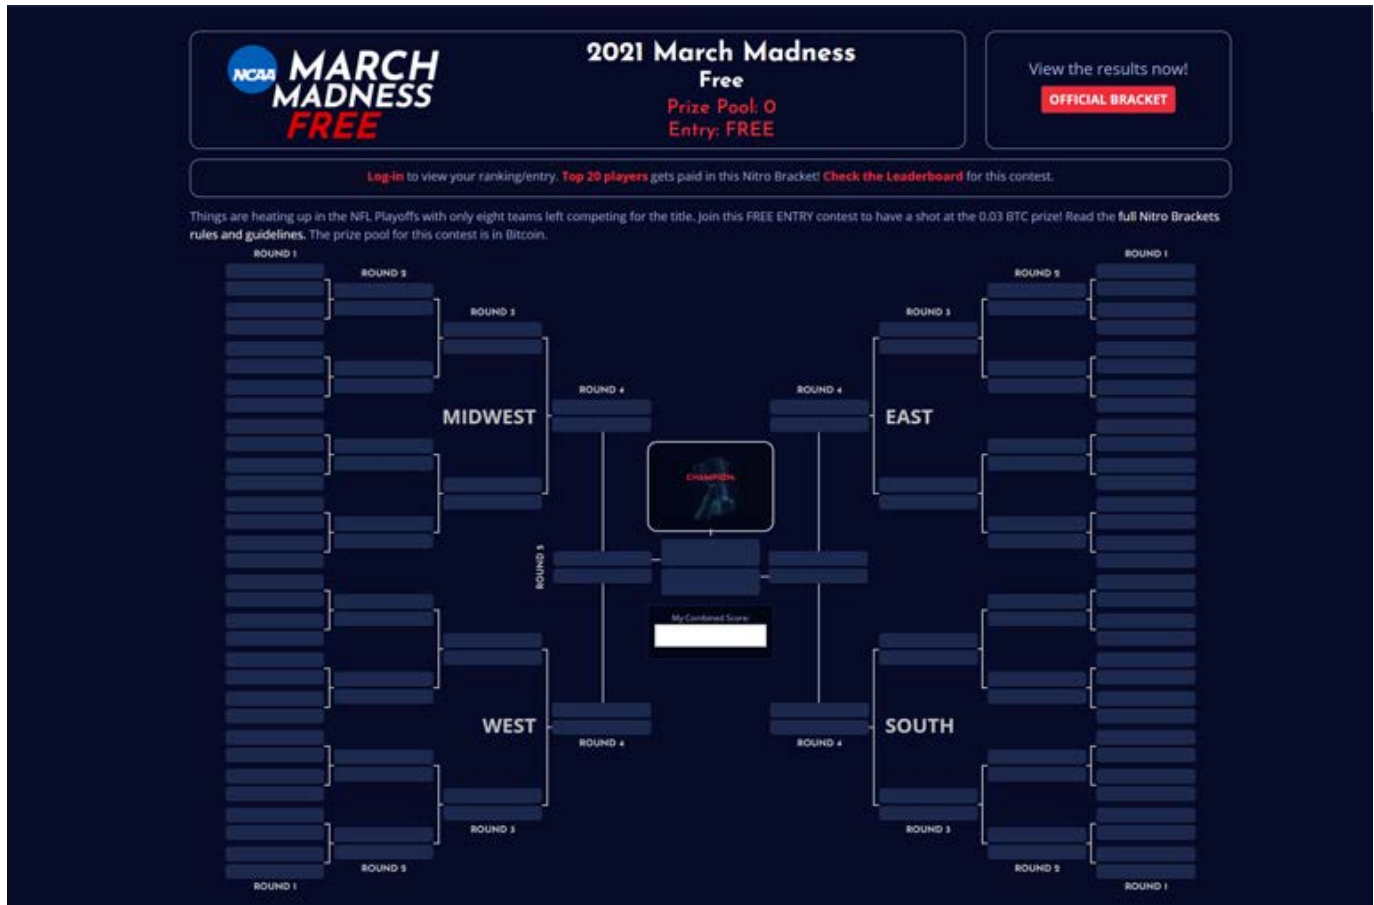

- American Roulette
- Caribbean Poker
- Salsa Poppers
- Sands of Egypt
- Super 7s
- Super Crystals

Cubeia brings a different concept with Casino games, but they are great to play. Some of the games you will find are:

- Spec Ops
- Reels of Legend
- Shamans Jungle
- Coin Runner
- Baccarat
- Space Bounty

Exclusive Contests and Games

If playing in our Sportsbook, Casino and Poker isn't enough, players can also participate in our exclusive contests in different sports and events.

- **Bitcoin Brackets:** It's hard not to think of March Madness when it comes to brackets. But we want to take it a step further and bring other sports into the fold. When an important time approaches for these sports, such as playoffs, don't doubt there won't be a bracket available to play and win BTC.
- **Bitcoin Squares:** As easy as selecting a random square, you just need to check if the square contains the last digits of the final score of a given event.
- **Bitcoin Picks:** Join a pool of contestants in collecting points by selecting the right picks. The more picks you get, the more points earned, the higher the chances to better Bitcoin prizes. And it's not going to be just one single contest every now and then.*
